POSITIVE SLIPS

This week's winner is
Angus from Key Stage 2
Well done!

We're very excited to announce that ex-student, Alex Hall, will be appearing in the show 'Broadway' at the Rhoda McGaw Theatre in Woking.

Performances are on Friday 9th February and Saturday 10th February.

Tickets can be purchased by typing the following website into your browser: -
<https://www.ticketsource.co.uk/surrey-youth-music-theatre>

A huge 'congratulations' to Leo (and his horse Jimmy) who has qualified for the Royal International 2018!

Our son's placement is invaluable. He would not be where he is without his place at St Dominic's. The change in his confidence, ability and self-worth are outstanding. He has worked with the school and has developed far greater than I could ever have hoped for since his move from mainstream school.

St Dominic's School
Physical Education

Physical Education Stars of the Week

W/B 11th September 2017

Callum Roe, David Hoyle, Jack English, Josh Elliott and Ryan Francis

Excellent sportsmanship and contributions in class

Physical Education Stars of the Week

W/B 18th September 2017

Toby Dudley, Owen Lyne, Lewis Kemp, Ella Montague and Harry Paterson

Excellent sportsmanship and contributions in class

Forest School

Last week's Forest School adventures consisted of den building, bow and arrow making, fire making, collecting firewood and even finding some new Forest School friends – good spot by Callum Burns who caught the Frog! Finding the Slug inspired a great group conversation about slugs in general and all the facts we know about them.

A slug is basically a muscular foot, and the name 'gastropod' literally means stomach foot. Unlike snails that hibernate during winter, slugs are active whenever the temperature is above 5°C. A slug is essentially a snail without a shell. Slugs used to live in the ocean, which is why they still need to keep moist.

St Dominic's School - Social Communication Programme

WHAT DO I NEED?

The target is to encourage pupils to be more independent by:-

- Having the right equipment ready at the start of a lesson or activity
- Having the skills to check what they will need.

Facts re ASD

Poor executive functioning affects the ability to organise, plan and manage tasks, manage their time and prioritise tasks:-

- Many pupils have poor organisational skills
- They are often unable to predict what they will need for an activity
- They do not easily infer what they need from previous experience
- They might not make use of strategies to help themselves, such as looking around at other pupils.

Suggested Script

- What do I need? For this lesson you will need x, y, z
- What do I need? If you haven't got xxxx then you know where it is kept. Please get one now
- What do I need? We are using rulers to draw straight lines. Let a member of staff know if you haven't got everything you need for the lesson
- What do I need? Make sure your workspace is tidy because it will make it easier for you to work.

Hints and Tips

- Prompt pupils to check what s/he needs at the start of each lesson
- Offer support by using visual reminders and verbal reminders about the equipment needed
- Encourage the pupils to lay their equipment out neatly on their desk/table so that they can access it easily
- Prompt pupils to check what s/he needs at the start of each lesson
- Offer support by using visual and verbal reminders about the equipment needed
- Encourage the pupils to lay their equipment out neatly on their desk/table so that they can access it easily.
