

St. Dominic's School KS2 – KS5 Careers and Transitions Overview

Curriculum Intent: Careers education and guidance is a highly valued and integral area of our curriculum where we encourage all of our pupils and students to 'achieve ambitious goals and live life to the full'. Our aim is to ensure all pupils and students leave our setting fully equipped to take their place in the wider world. Our intent is to provide our learners with knowledge of all the opportunities available to them, the skills to access these opportunities and the resilience to navigate their own pathway in their communities.
