

27 February 2020

Dear Families

There has been further guidance and advice sent out from Public Health England regarding the Corona Virus (COVID-19).

We are mindful that some of our families may have been travelling during the half term break, and ask that you read through this information carefully.

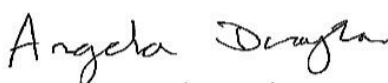

If you have travelled to one of the affected areas, we ask that you follow the guidelines set out and inform the school if you feel you need to take action.

We continue to remain vigilant in the monitoring of the required management of Coronavirus by accessing regular updates from Public Health England, World Health Organisation and Department for Education. Please see below for the guidelines, advice and relevant links, and please remain updated:

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

The National Travel Health Network and Centre (NaTHNaC) has also produced general advice on preparing for foreign travel and how individuals can help reduce the spread of respiratory viruses during the COVID-19 outbreak: <https://travelhealthpro.org.uk/news/499/novel-coronavirus-covid-19-general-advice-for-travellers>.

Yours sincerely

Angela Drayton
Principal and Regional Lead for Surrey & Sussex Hub
