

18 November 2020

TO ALL FAMILIES

Dear Families,

As promised, here is our daily update.

We would like to begin with good news to share. At the time of writing, we have no further positive test results and, in fact, have had some staff and pupils return negative test results. We are therefore now starting to see some evidence that all of the actions we have taken this week have contained the cases we have had so far.

We remain in Phase 2 of our phased response due to the number of staff we have out of school continuing to isolate. We would also like to celebrate our courageous pupils and students for managing the changes this week so well and commend those learning at home who are embracing our remote platform, Google Classroom. Bubbles isolating have had some lovely time together talking and playing games. One tutor group even listened to a ukulele solo performed by a pupil, which certainly lifted everyone's spirits!

We will update you again tomorrow.

As ever, if you have any questions or concerns then please contact school.

Yours sincerely

Vicky Perry
Vice Principal & Head of Education
