TO ALL FAMILIES

Dear Families

We are now on day three of our daily updates.

I am pleased to report that we have had no further confirmed cases of Covid-19 in school and we therefore remain encouraged that the school's approach to managing our current confirmed cases is working without necessitating the need for further action. As such, we remain in Phase 2 of our phased response.

We hope these daily messages are supporting pupils, students and families to feel reassured. Thank you to those of you who have been in touch with words of support and encouragement. They have been shared with the staff team and were warmly received.

Yours sincerely

Vicky Perry
Vice Principal & Head of Education
